

# How to Search for Sections:

You do not need a User ID or Password to Search for Sections in Craven Community College's schedule of classes.

*This option will only allow a search, and will NOT provide the option to register.*

## To search for sections:

- From the main page of WebAdvisor, select **Students** and then **Search for Sections**.
- Choose either the **Term** or fill in the **Starting and Ending Dates**. The rest of the selection criteria is optional; however, when additional information is filled in, the search will be more limited.

Term

---

Starting On/After Date  Ending By Date

**Example of how to search for a specific course:**

Subjects	Course Levels	Course Number	Section
CIS - Information Systems		110	

- Fill-in any other selection criteria.
- Click **Submit** to see the results.
- Click **OK** when finished.

---

### I have my results, now what does this mean?

<u>Term</u>	the term that the individual course will be offered
<u>Status</u>	whether or not the course is still open
<u>Section Name and Title</u>	a course description and any pre- or co-requisites required for the course
<u>Location</u>	the campus the that course will be offered
<u>Meeting Information</u>	specific meeting information
<u>Faculty</u>	the instructor that will be teaching the course
<u>Availability/Capacity/Waitlist</u>	the number of positions in the course that is available, the maximum capacity for the course, waitlist is not available
<u>Credits</u>	the credit hours that is listed for the course
<u>CEUs</u>	the number of CEU's that will be received by taking the course
<u>Academic Level</u>	whether the course is curriculum (college credit) or continuing education
