**By signing below, I understand the following:**

- a. *I will receive my loan proceeds during the scheduled disbursement periods as listed on the financial aid section of the college website. Normally, the loan will be split evenly between two semesters. Different circumstances may alter the disbursement, check with the Financial Aid Office if you have questions.*
- b. *I must be attending at least 6 credit hours to be eligible to receive my loan check. Taking a class that does not begin at the beginning of a term (for example, a B-term class beginning in the middle of a term) will cause my loan disbursement to be delayed if the late start or B-term class is what makes me 6 credit hours.*
- c. *I will be notified by email when the direct loan funds are disbursed to my account and of my right to cancel all or part of this loan. First time borrowers may not receive their first loan disbursement until they have been enrolled at Craven Community College for at least thirty (30) days.*
- d. *Loan proceeds are intended to cover my educational expenses for the entire term. If I withdraw completely from a semester, I may be required to return a portion of these loan proceeds directly to Craven Community College.*
